

**Director General of Central Statistical Organization and his team
participate in Virtual Meeting on the 6th Working Group on
International Merchandise Trade Statistics (WGIMTS6)
16 July 2020**

Virtual meeting on the 6th Working Group of International Merchandise Trade Statistics was held with the support of the ASEANstats on 16 July 2020. The meeting was chaired by U San Myint, Director-General of the CSO and discussed based on the difficulties encountered in collecting, compiling, analysing, and disseminating the ASEAN Member States (AMS) data to far improve the quality of IMTS data of the AMS. The meeting was attended by a total of 64 representatives from various statistical departments of the ASEAN Member States and the ASEANstats, including the CSO of Myanmar.
